1986 (26 U.S.C. 42) must pay rent governed by section 42. In addition, in projects in which the Home units are designated as floating pursuant to paragraph (j) of this section, tenants who no longer qualify as low-income are not required to pay as rent an amount that exceeds the market rent for comparable, unassisted units in the neighborhood.

(j) *Fixed and floating HOME units.* In a project containing HOME-assisted and other units, the participating jurisdiction may designate fixed or floating HOME units. This designation must be made at the time of project commitment. Fixed units remain the same throughout the period of affordability. Floating units are changed to maintain conformity with the requirements of this section during the period of affordability so that the total number of housing units meeting the requirements of this section remains the same, and each substituted unit is comparable in terms of size, features, and number of bedrooms to the originally designated HOME-assisted unit.

§ 92.253 Tenant and participant protections.

(a) *Lease.* The lease between a tenant and an owner of rental housing assisted with HOME funds must be for not less than one year, unless by mutual agreement between the tenant and the owner.

(b) *Prohibited lease terms.* The lease may not contain any of the following provisions:

(1) *Agreement to be sued.* Agreement by the tenant to be sued, to admit guilt, or to a judgment in favor of the owner in a lawsuit brought in connection with the lease;

(2) *Treatment of property.* Agreement by the tenant that the owner may take, hold, or sell personal property of household members without notice to the tenant and a court decision on the rights of the parties. This prohibition, however, does not apply to an agreement by the tenant concerning disposition of personal property remaining in the housing unit after the tenant has moved out of the unit. The owner may

dispose of this personal property in accordance with State law;

(3) *Excusing owner from responsibility.* Agreement by the tenant not to hold the owner or the owner's agents legally responsible for any action or failure to act, whether intentional or negligent;

(4) *Waiver of notice.* Agreement of the tenant that the owner may institute a lawsuit without notice to the tenant;

(5) *Waiver of legal proceedings.* Agreement by the tenant that the owner may evict the tenant or household members without instituting a civil court proceeding in which the tenant has the opportunity to present a defense, or before a court decision on the rights of the parties;

(6) *Waiver of a jury trial.* Agreement by the tenant to waive any right to a trial by jury;

(7) *Waiver of right to appeal court decision.* Agreement by the tenant to waive the tenant's right to appeal, or to otherwise challenge in court, a court decision in connection with the lease; and

(8) *Tenant chargeable with cost of legal actions regardless of outcome.* Agreement by the tenant to pay attorney's fees or other legal costs even if the tenant wins in a court proceeding by the owner against the tenant. The tenant, however, may be obligated to pay costs if the tenant loses.

(c) *Termination of tenancy.* An owner may not terminate the tenancy or refuse to renew the lease of a tenant of rental housing assisted with HOME funds except for serious or repeated violation of the terms and conditions of the lease; for violation of applicable Federal, State, or local law; for completion of the tenancy period for transitional housing; or for other good cause. To terminate or refuse to renew tenancy, the owner must serve written notice upon the tenant specifying the grounds for the action at least 30 days before the termination of tenancy.

(d) *Tenant selection.* An owner of rental housing assisted with HOME funds must adopt written tenant selection policies and criteria that:

(1) Are consistent with the purpose of providing housing for very low-income and low-income families;

(2) Are reasonably related to program eligibility and the applicants' ability to perform the obligations of the lease;

(3) Give reasonable consideration to the housing needs of families that would have a Federal preference under section 6(c)(4)(A) of the 1937 Act (see § 92.209(c)(2)) ;

(4) Provide for the selection of tenants from a written waiting list in the chronological order of their application, insofar as is practicable; and

(5) Give prompt written notification to any rejected applicant of the grounds for any rejection.

§ 92.254 Qualification as affordable housing: Homeownership.

(a) *Acquisition with or without rehabilitation.* Housing that is for acquisition by a family must meet the affordability requirements of this paragraph (a).

(1) The housing must be single-family housing (1- to 4-family residence, condominium unit, cooperative unit, combination manufactured home and lot, or manufactured home lot) .

(2) The housing must be modest housing as follows:

(i) In the case of acquisition of newly constructed housing or standard housing, the housing has a purchase price for the type of single family housing that does not exceed 95 percent of the median purchase price for the area, as described in paragraph (a)(2)(iii) of this section.

(ii) In the case of acquisition with rehabilitation, the housing has an estimated value after rehabilitation that does not exceed 95 percent of the median purchase price for the area, described in paragraph (a)(2)(iii) of this section.

(iii) If a participating jurisdiction intends to use HOME funds for homebuyer assistance or for rehabilitation of owner-occupied single-family properties, the participating jurisdiction may use the Single Family Mortgage Limits under Section 203(b) of the National Housing Act (12 U.S.C. 1709(b)) (which may be obtained from the HUD Field Office) or it may determine 95 percent of the median area purchase price for single family housing in the jurisdiction, as follows. The participating jurisdiction must set forth the price for different types of single fam-

ily housing (1- to 4-unit family residence, condominium unit, cooperative unit, combination of manufactured housing and lot or manufactured housing lot) for the jurisdiction. The 95 percent of median area purchase price must be established in accordance with a market analysis which ensured that a sufficient number of recent housing sales are included in the survey. Sales must cover the requisite number of months based on volume: For 500 or more sales per month, a one-month reporting period; for 250 through 499 sales per month, a two-month reporting period; for less than 250 sales per month, at least a three-month reporting period. The data must be listed in ascending order of sales price. The address of the listed properties must include the location within the participating jurisdiction. Lot, square and subdivision data may be substituted for the street address. The housing sales data must reflect all, or nearly all, of the one-family house sales in the entire participating jurisdiction. To determine the median, take the middle sale on the list if an odd number of sales and if an even number, take the higher of the middle numbers and consider it the median. After identifying the median sales price, the amount should be multiplied by .95 to determine the 95 percent of the median area purchase price. This information must be submitted to the HUD Field Office for review.

(3) The housing must be acquired by a homebuyer whose family qualifies as a low-income family and the housing must be the principal residence of the family throughout the period described in paragraph (a)(4) of this section.

(4) *Periods of affordability.* The HOME-assisted housing must meet the affordability requirements for not less than the applicable period specified in the following table, beginning after project completion. The per unit amount of HOME funds and the affordability period that they trigger are described more fully in paragraphs (a)(5)(i) (resale) and (ii) (recapture) of this section.
